

Ferretti 730

M/Y Ferretti 730 from year 2003. She is in perfect conditions being the perfect choice for your yacht charter vacations in Croatia. Space, comfort and a completely contemporary design, the use of teak and a newly designed line, make this a perfect yacht for its size and optimization of space.

The new style is clearly visible externally with a more aggressive and streamlined shape thanks to the widening of the covering windows which combine with the new spaces such as the aft folding bench offering an area for relaxing while remaining in contact with the sea. Great attention to detail has also been taken regarding the layout of the cabins.
