

# Beneteau Oceanis 35 – Jean Michel

The Beneteau Oceanis 35 is designed for the avid sailor who enjoys days sailing, weekendening and the seasonal club sponsored races. Her cockpit and rig are well laid out making line handling quick and easy. The way space is used topside and below is one of her features, providing a roomy uncluttered and light interior feel. With three keel options and a hull design resulting from Beneteau's ocean racing experience, the 35 is good fit for the sailor expecting a bit more on the water.
