Marko was born in 1989 in Split, Croatia.

Since he was 10, he has been spending time on boats during summers. At first it was just because he enjoyed being on sea, but later he started working for AS Cruising as a deckhand. He was 17 then. That is when the voyage of his life started.

By the age of 20, as a result of hard work and successful achievement of knowledge of ships,

he became the Captain of gulet Andi. Few years ago he was promoted and now he is the Captain on gulet Anna Marija. He proudly talks about his crew on Anna Marija: “We are really an excellent team.”

Marko is always willing to help; he is friendly and very attentive. Guests have always felt incredibly welcomed with Marko. His knowledge of the area is impressive and he is very well placed to give an advice on places to visit, good restaurants, bars, nightclubs... ‘ We want to have happy guests on board!’ Marko says. He works closely with his guests to ensure that all of their needs are met. With Marko and his crew on board a lovely cruise on the Adriatic is guaranteed.
